Budke - RA 274 is reserved for our Oct. 6th meeting. Another group has the room at 7pm. If we need more than an hour, we've got the room from 5pm to 7pm, so we could meet a little earlier. Take it easy.

Brian - Why don't you call Roger Hawks and see if we can't meet Tue, 6 Oct, from 5pm to 7pm. If not we may have to go to an EECE lab to finish out the meeting.
